C. Processing based on consent

In the following cases, ARIGAMIX will process your Personal Data if you granted prior consent to the specific proposed processing of your Personal Data (Article 6(1) lit. a GDPR) or the equivalent article under other national laws, when applicable. If you re-open this Privacy Statement after you initially grant one or more consents, you will see the full Privacy Statement and not just information on the consents you granted.

News about ARIGAMIX's Products and Services. Subject to a respective provision and your consent, ARIGAMIX may use your name, email and postal address, telephone number, job title and basic information about your employer (name, address, and industry) as well as an interaction profile based on prior interactions with ARIGAMIX (prior purchases, participation in webinars, seminars, or events or the use of (web) services - further details on this topic can be found in the Cookie Statement displayed on the relevant ARIGAMIX website) in order to keep you up to date on the latest product announcements, software updates, software upgrades, special offers, and other information about ARIGAMIX's software and services (including marketing-related newsletters) as well as events of ARIGAMIX and in order to display relevant content on ARIGAMIX's websites. In connection with these marketing-related activities, ARIGAMIX may provide a hashed user ID to third party operated social networks or other web offerings (such as Twitter, LinkedIn, Facebook, Instagram or Google) where this information is then matched against the social networks' data or the web offerings' own databases in order to display to you more relevant information.

Creating user profiles. ARIGAMIX offers you the option to use its web offerings including forums, blogs, and networks (such as the ARIGAMIX Community) linked to this website that require you to register and create a user profile. User profiles provide the option to display personal information about you to other users, including but not limited to your name, photo, social media accounts, postal or email address, or both, telephone number, personal interests, skills, and basic information about your company.

These profiles may relate to a single web offering of ARIGAMIX or, if created in the ARIGAMIX Identity Authentication Service, may also allow you to access other web offerings of ARIGAMIX or of other entities of the ARIGAMIX, or both (irrespective of any consent granted under the section "Forwarding your Personal Data to other ARIGAMIX

companies.” below). It is, however, always your choice which of these additional web offerings you use and your Personal Data is only forwarded to them once you initially access them. Kindly note that without your consent for ARIGAMIX to create such user profiles, ARIGAMIX will not be in a position to offer such services to you where your consent is a statutory requirement that ARIGAMIX can provide these services to you.

Within any web offering, beyond the mere provision of access your profile is used to personalize interaction with other users (for example, by way of messaging or follow functionality) and by ARIGAMIX to foster the quality of communication and collaboration through such offerings and for ARIGAMIX to provide gamification elements (gamification is the process of taking something that already exists, such as a website, an enterprise application, or an online community, and integrating game mechanics into it to motivate participation, engagement, and loyalty). To the greatest extent supported by the relevant web offering, you can use the functionality of the relevant web offering to determine which information you want to share.

Special categories of Personal Data. In connection with the registration for and provision of access to an event or seminar, ARIGAMIX may ask for information about your health for the purpose of identifying and being considerate of individuals who have disabilities or special dietary requirements throughout the event. Any such use of information is based on the consent you grant hereunder.

Kindly note that if you do not provide any such information about disabilities or special dietary requirements, ARIGAMIX will not be able to take any respective precautions.

Event profiling. If you register for an event, seminar, or webinar of ARIGAMIX, ARIGAMIX may share basic participant information (your name, company, and email address) with other participants of the same event, seminar, or webinar for the purpose of communication and the exchange of ideas.

Forwarding your Personal Data to other ARIGAMIX companies. ARIGAMIX may transfer your Personal Data to other entities in the ARIGAMIX. In such cases, these entities will then use the Personal Data for the same purposes and under the same conditions as outlined in this privacy statement.

Forwarding your Personal Data to other Third Parties. At your request, as indicated by your consent, ARIGAMIX will transfer your registration data to the companies listed on the registration page. The companies will use your registration data for the purposes of their participation in the event and are obliged to delete the data thereafter. If a company intends to use your data for any other purposes, they will contact you to explain how and for which other purposes they will use your registration data.

Revocation of a consent granted hereunder. You may at any time withdraw a consent granted hereunder by **unsubscribing**. In case of withdrawal, ARIGAMIX will not process Personal Data subject to this consent any longer unless legally required to do so. In case ARIGAMIX is required to retain your Personal Data for legal reasons your Personal Data will be restricted from further processing and only retained for the term required by law. However, any withdrawal has no effect on past processing of personal data by ARIGAMIX up to the point in time of your withdrawal. Furthermore, if your use of an ARIGAMIX offering requires your prior consent, ARIGAMIX will not be (any longer) able to provide the relevant service (or services, if you revoke the consent for ARIGAMIX to use your profile under the ARIGAMIX Identity Authentication Service for multiple ARIGAMIX offerings), offer or event to you after your revocation.
